# NATALIA FEDNER

## OUR STORY

EDUCATED IN PARIS AND NEW YORK CITY, **NATALIA FEDNER** IS AN HAUTE COUTURE FASHION DESIGNER BEST KNOWN FOR CREATING AVANT GARDE DESIGNS AND JEWELRY FOR CELEBRITIES. **BEYONCÉ, JENNIFER LOPEZ, CHARLIZE THERON, SHARON STONE, KRISTEN STEWART, SHAKIRA, KIM KARDASHIAN, KENDALL JENNER, KOURTNEY KARDASHIAN, LENNY KRAVITZ, LEA MICHELE, GIULIANA RANCIC, JESSIE J, KRISTIN CHENOWETH, PAMELA ANDERSON, LAVERNE COX, BEBE REXHA, KEKE PALMER, FIFTH HARMONY, AND ROSE MCGOWAN** ARE AMONG NATALIA'S CLIENTS. WHILE ATTENDING **PARSONS SCHOOL OF DESIGN**, NATALIA INTERNEED FOR **DONNA KARAN COLLECTION** AND **MARC JACOBS**,

SECURING A COVETED DESIGN POSITION AT **CALVIN KLEIN COLLECTION** UPON GRADUATION. HER DESIGNS HAVE BEEN ON RUNWAYS IN PARIS AND NYC, AND FEATURED IN *L'OFFICIEL*, *ELLE*, *HARPER'S BAZAAR*, *THE CUT*, *COMPLEX*, *ENTERTAINMENT TONIGHT*, *MAXIM*, *PEOPLE*, *ESQUIRE*, AND *GLAMOUR*. SHE EVEN RECEIVED A COVETED HOLIDAY WINDOW AT **SAKS FIFTH AVENUE** IN NEW YORK FOR HER AWARD WINNING COLLABORATION WITH **SWAROVSKI**. WHILE COMPETING ON **PROJECT RUNWAY**, SHE CREATED THE FIRST WORKING MECHANICAL DRESS IN THE HISTORY OF THE SERIES. HER INTEREST IN DESIGNING AND INVENTING STARTED AT THE EARLY AGE OF 4 WHEN SHE BEGAN COLLECTING "PRETTY COLORED WIRES" THAT WERE LEFT AS TRASH OUTSIDE OF A LOCAL TELEPHONE COMMUNICATIONS COMPANY IN HER NATIVE CHERNOVTSY, UKRAINE (SHE WOULD TURN THEM INTO BRACELETS FOR HERSELF AND FRIENDS).

**ATELIER** - NATALIA LEADS A SMALL TEAM IN CREATING UNIQUE ONE-OF-A-KIND PIECES FOR CLIENTS AND STORES UNDER HER EPONYMOUS LABEL LOCATED IN MANHATTAN. EACH PIECE IS LIKE WEARABLE ART - NO TWO PIECES ARE ALIKE AND THE PROCESS OF MAKING EACH IS AS UNIQUE AS THE FINAL RESULT. WHENEVER POSSIBLE VINTAGE SILK FABRICS ARE USED TO MAKE THE YARN, CREATING NOT ONLY A BEAUTIFUL AND LIMITED DESIGN, BUT ALSO ONE THAT IS ENVIRONMENTALLY AND ANIMAL FRIENDLY. THE YARN, THE GARMENTS, EVEN THE HAND ENGRAVED SILVER AND GOLD PLATED LOGO TAGS ARE ALL MADE LOCALLY. NATALIA IS COMMITTED TO KEEPING ALL ASPECTS OF PRODUCTION IN THE USA.

**PATENT PENDING 4 WAY STRETCH METAL** - FOR THE FIRST TIME IN HISTORY, A 100% METAL TEXTILE GENUINELY ACTS LIKE A 4-WAY STRETCH FABRIC. IT INSTANTANEOUSLY MOLDS TO EACH UNIQUE CURVE, ADOPTS THE HEAT OF THE WEARER WITHIN 15 SECONDS, AND IS BOTH COMFORTABLE AND STRONG. STRETCH METAL IS CURRENTLY PATENT PENDING BECAUSE OF THESE UNIQUE PROPERTIES. AS A COMPANY, WE LOOK FORWARD TO CONTINUING TO BUILD ON THIS NEW TEXTILE ANND COLLABORATING WITH OTHER DESIGNERS AND COMPANIES ON ITS MANY USES.
